Mustard's Quick Relief Without the Blister!

You remember the good old-fashioned mustard plaster.

Your mother and your grandmother used to apply it whenever you had a cold, an ache or a pain.

It burned like sixty, but it surely did the work.

Here is the old family remedy, greatly improved by science and put in Twentieth Century form—

THE QUICK AND BLESSED RELIEF WITHOUT THE BLISTER OF THE MUSTARD, OR THE BOTHER AND MESSINESS OF THE PLASTER.

MUSTEROLE is a clean, white ointment, made with the oil of mustard. For MUSTEROLE, the oil of the highest grade of mustard is refined until it is as pure as human skill can make it.

You simply rub it on the spot where the pain is—rub it on briskly—and the pain is gone!

Not a blister is left even on tender skin! Instead it has a delicious, comforting effect.

You don't have to spread MUSTEROLE on a cloth. Just apply it with the finger tips.

You don't have to bind on a cloth. MUSTEROLE is so penetrating that it goes right through the pores at once.

And there is nothing like MUSTEROLE for Sore Throat, Bronchitis, Tonsillitis, Croup, Stiff Neck, Asthma, Neuralgia, Headache, Congestion, Pleurisy, Rheumatism, Lumbago, Pains and Aches of the Back or Joints, Sprains, Sore Muscles, Bruises, Chilblains, Frosted Feet, Colds of the Chest (it prevents Pneumonia).

MUSTEROLE is for sale by leading druggists everywhere. Accept no substitute.

Many of these display the MUSTEROLE sign (shown below) in their windows.

MUSTEROLE comes in jars of two sizes, 25c and 50c.

If your druggist cannot supply you, send 25c and we will send you a jar postage prepaid.

HUNTERS MUST HAVE PERMITS

From Land Owners or Their Agents Before Then Can Hunt or Fish.

An impression seems to prevail that the permission of a land owner to hunt and fish on his land is not required under the new game and fish law of the state. The law requires not only such permission but also exhibit of the permission, when actually going on such land to hunt or fish. In addition the penalty is a fine and in discretion of the court imprisonment. For the information of the public, especially that part of it engaging in hunting and fishing, the Telegram reproduces section forty-nine of chapter forty-seven enacted by the legislature of 1911:

"It shall be unlawful for any person to shoot, hunt, fish or fowl upon the enclosed or improved lands of another person, or to camp, peel trees, cut trees or timber, build fires or do any other thing thereon in connection with, or auxiliary to shooting, hunting, fishing, or fowling on the lands of another person without permission in writing of the owner, lessee or other person entitled to the possession of such lands, or the tenant or agent of such owner, lessee or person entitled to the possession thereof, duly authorized to give such written permission, and every person hunting, fishing, shooting, or fowling upon such lands shall have such written permission with him when so doing.

"Any person violating any of the provisions of this section shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined not less than \$10 nor more than \$50, and may in the discretion of the court or justice be confined in the county jail not more than thirty days; and if any person be convicted a third time of such offense, he shall be confined in the county jail for a period of not less than three nor more than thirty days in addition to any fine imposed, and in all cases he shall be confined in the county jail until the fine and costs are paid; provided, that such time shall not exceed thirty days. It shall be lawful for the owner, lessee or person entitled to the possession of such lands, or the agent thereof, to arrest any such person found violating this section and immediately take him before a justice of the peace for trial, and such owner, lessee, person or agent is hereby vested with all the powers and rights of a deputy game warden for such purpose; and it is hereby made the duty of the warden and all deputies to see that this section is enforced, if requested so to do by such owner, lessee, person or agent but not otherwise."

All non-residents of the state and all residents not naturalized are required to take out a \$15 license in addition to the permission before they can either hunt or fish.

Baby's Voice

Every woman's heart responds to the charm and sweetness of a baby's voice, because nature intended her for motherhood. But even the loving nature of a mother shrinks from the ordeal because such a time is regarded as a period of suffering and danger. Women who use Mother's Friend are saved much discomfort and suffering, and their systems, being thoroughly prepared by this great remedy, are in a healthy condition to meet the time with the least possible suffering and danger. Mother's Friend is recommended only for the relief and comfort of expectant mothers; it is in no sense a remedy for various ills, but its many years of success, and the thousands of endorsements received from women who have used it are a guarantee of the benefit to be derived from its use. This remedy does not accomplish wonders but simply assists nature to perfect its work. Mother's Friend allays nausea, prevents caking of the breasts, and in every way contributes to strong, healthy motherhood. Mother's Friend is sold at drug stores. THIS LADY'S GOOD APPETITE

Mrs. Hansen, in a Letter From Mobile, Tells How She Gained It.

Mobile, Ala.—"I suffered for seven years, with womanly trouble," writes Mrs. Sigurd Hansen in a letter from this city. "I felt weak and always had a headache and was always going to the doctor. At last I was operated on, and felt better, but soon I had the same trouble."

My husband asked me to try Cardui. I felt better after the first bottle, and now, I have a good appetite and sleep well. I feel fine, and the doctor tells me I am looking better than he ever saw me."

If you are sick and miserable, and suffer from any of the pains due to womanly trouble—try Cardui. Cardui is successful because it is composed of ingredients that have been found to act curatively on the womanly constitution.

For more than fifty years, it has been used by women of all ages, with great success. Try it. Your druggist sells it.
